## MABER MBC2000 RACK & PINION HOIST

A single mast dual purpose hoist designed to carry 2000kg SWL or, with the addition of an overhead protection piece, can accommodate 7 passengers in transport platform mode.

The unloading ramp is complete with side protection rails for safety, and reduced-height landing gates are used.

Each unit is equipped with an overload sensor and anti-crushing grate.

The platform size of 3.2 x 1.5 ensures ease of use for loading plasterboard and pallets, and offers a fully opening bi-fold c gate.
